2024 UNSW Sport Scholarships & Elite Athlete Program

Introduction

High performance sport has a long and successful history at UNSW. Our sports program has allowed us to attract and retain some of the best and brightest student athletes, and creates a sense of pride in the UNSW name through the celebration of student and alumni success.

UNSW is endorsed by Sport Australia as a member of the Elite Athlete Education Network (EAEN) and we offer flexible entry and study for identified elite athletes, allowing them to balance sport and study in order to provide pathways to life after sport. This ensures their experience on campus is one that is rewarding, flexible and helps them acquire the right skills and qualifications needed to follow their passions and interests outside of sport.

The Elite Athlete University Network provides a network of AIS endorsed providers in the areas of higher education where athletes can learn and equip themselves with qualifications, knowledge and skills for future careers beyond their sport.

**OUR STUDENT-ATHLETES ARE SUPPORTED TO
ACHIEVE IN SPORT AND STUDY, THROUGH THE
UNSW ELITE ATHLETE PROGRAM AND OUR RANGE
OF SPORTS SCHOLARSHIPS.**

**IF YOU WANT TO BALANCE SPORT AND STUDY,
NOW AND IN THE FUTURE, #TEAMUNSW HAS THE
SUPPORT YOU NEED.**
